### *Revive Again:*

#### *Introduction:*

Hello Risen Soldiers,

This week for Bible Study I've shared my experience with my recent thoughts of doubt and feeling insufficient. If you've missed it, go, and listen to the recording! From that point the Holy Spirit led me unto the understanding of what needs to take place to walk in the Spirit of revival, we must revive that which was once dead within us. Before continuing I highly encourage you to first; read Psalms 119 and then listen to the recording of our study.

#### *Briefing:*

The common cry of our nation is for a revival. However, in order, for one to spark a revival, one must first revive that which was once dead, within themselves. In order, to restore that which was one dead, we must first examine what has kept us bound to the thing that forces our souls to be dormant and to look at where those ties are. To entirely walk-in revival, which is a revived state of mind, we must fill that which is void, with the Word of God. I know some of you may say, 'you read your Bible regularly and go to church consistently' but follow along with our bible study to be able to fully understand what needs to take place for a revived soul and why!

Before you continue with the Bible Study Notes, I encourage you to read the entire Psalms 119. It is lengthy, so take your time!

The purpose of being revived is to bring you back to your original state before your lost. Your lost of hope, confidence, and concentration of that which The Lord God has called and instructed you to do. The purpose of being Revived is to not only fuel yourself but to be able to have enough fuel to stand against the wiles of the enemy, and to be able to strengthen your brother along the way.

❖ **The Word**

When it comes to the Word of God, it's the Pure, unadulterated, unfailing Word of God as ascribed in the Holy Bible, that brings forth Revival. Reading, Knowing and understanding the Word of God and allowing it to manifest within your soul is what brings a revived soul, leading to revival.

❖ **It's Our Called Oil**

The Oil of the Lord is the anointing that comes from being intentional with your relationship with the Father. Oil is the substance that allows your fire to burn for the Lord. As your fire burns for The Lord God, you allow your light to protrude through the dark places of your personal life and the lives of others! The fire of the Lord is what the Holy Spirit is looking for! So you must keep your oil!

**Making it practical!**

Let's make this practical. There are several ways of being Revived! The first, and foremost is through the Word of God – The Holy Bible!

When it comes to the Word of God, it can take some time to fully understand the meaning and grasping a habit of reading consistently. Therefore, you must be intentional about seeking discernment from the Holy Spirit, praying, for the revelation of His Word as well as partner with an individual who can help lead you in the direction of biblical understanding.

Secondly, Join a bible teaching church!! Finding a good church where you can both fellowship and receive the Word of God may be a bit challenging, but consistency is key! Pray and be led by the Holy Spirit!

Lastly, Fellowship with like-minded believer!! The Word of God urges us to be in connection with others who are on Fire for the Love and those who love Jesus!! Reason being is that if you are in need of a spiritual 'rejuvenation' or even accountability, your friend in Christ should be there to help you along the way!!

Well, that all for now!

Until next time,

Stay Blessed, Stress Less, Read your Bible!!!
